Dear Editor,

I am enclosing herewith a manuscript entitles “*Characterization and Morphological Analysis of Aerosols in scope of the Traffic plan in Tehran, Iran*” for publication in “*Journal of Air Pollution and Health*” for evaluation. With the submission of this manuscript, I would like to undertake that the above-mentioned manuscript has not been published elsewhere, accepted for publication elsewhere or under editorial review for Publication elsewhere; and that my Institute's “Malayer University” representative is full submission.

I would be most grateful if you could let me know about its progress.

Sincerely,

Balal Oroji
